

The Long Island Museum

presents

# Homeschool Day

Friday, October 18 • 2 - 4 p.m.

Join us for this exciting opportunity for homeschool families! This program will introduce students to the world of textiles and how color and fabric can be used in surprising and practical ways. Students will visit the exhibition *Gracefully Chic: The Fashions of Philip Hulitar* in the Visitors Center, spend time on the grounds studying the museum's newest crocheted tree and have a chance to create a textile inspired art project.

THE LONG ISLAND MUSEUM
