

The Long Island Museum (LIM) and LIMarts are thrilled to present the 12th annual members-only exhibition. LIM has been proud to provide a place for people of all ages to gather and enjoy the art, history, and culture of the region. We invite LIMarts members to participate in this year's exhibition, **Common Ground**, a theme rooted in the appreciation of shared space, community, environment, and culture. The artist's idea of a *Common Ground* can range from land, identity, gathering, or personal connections, and much more. At LIM, we invite you to explore the possibility that you may share a commonality with one another, and learn something new about yourself. At a starting point, we all share Long Island as our *Common Ground*, but we all have our own stories to be told living here.
